## Chapter 1 by Ilovebasketball

One gloomy day Chris was going camping in the woods and there was no one to be found. Chris was slowly walking into the forest when I was looking down I saw some ones feet. Chris looked up and saw a person dressed up as an elf. The elf had a chainsaw in his hand and said "I am going to kill you in your sleep." While Chris was sleeping he was dreaming about the elf coming to kill him.

## Chapter 2 by Ilovebasketball

Chris woke up the next morning and the elf was standing right next to his tent. The elf said," I was sleeping last night so I couldn't kill you." I sleep every other night. So you better watch your back tonight. That night Chris was watching his back all night.

## Chapter 3 by Aaron Balaky

Nothing happened. Chris wondered if that guy was messing with him.

## Chapter 4 by intellikat

The elf was standing right next to his tent. The elf said," I ran out of 2-stroke gas for my chainsaw, plus I should really change the chain to something that cuts through bone easier... so I couldn't kill you. Remember, I sleep every other night. So you get a free pass tonight. Make it worthwhile. I'm going down to the Lowe's Supercenter
